1. This morning [REDACTED] informed me that C/SAS [REDACTED] had asked him to call me to "negotiate" a new deadline for completion of the SAS History. [REDACTED] said [REDACTED] had expressed his opinion that it is unlikely that it can be finished this year.

2. I told [REDACTED] that I could not agree to any such delay. All that needs doing is retyping. There will be a real effort to complete everything possible in response to Col. White's memo to the Deputies. It seems there must be some way to arrange the necessary typing.
